

LED Done Right®

project data		type	qty	energy per unit	total energy
existing		HID	32	1090W	34,880W
upgrade		model T	16	600W	9,600W

TOTAL ENERGY REDUCTION 25,280 watts

The Alexandria Motors outdoor showroom was renovated to a modern look and feel when 16 poles with two 1090 watt HID fixtures each were retrofitted with a single 600 watt energybank model T exterior LED fixture each.

The result is a huge improvement in both appearance and performance with significant energy and maintenance savings.
